SUMMARY

A second year student with prior experience in HTML, CSS ,bootstrap and JavaScript. Currently, I am enhancing my skills through a course at NAVTTC Institute while concurrently engaging in front-end development work.

EXPERIENCE

front-end web developer

codSoft   **January 2024 - February 2024**

· During my tenure as a web developer at Codsoft, I primarily focused on front-end development tasks. Over the course of my time there, I engaged in various projects where I utilized my skills in HTML, CSS, and JavaScript to create visually appealing and user-friendly interfaces.
